PRESIDENT'S MESSAGE

I take this opportunity to thank the advisor and staff of the 1977 edition of the "Tiger" for a job well done.

In years to come when we look back on this academic year, we will recall that: the country's first round library was occupied on our campus; three other departments moved into new quarters; the institution's first Vice President was named; and academic excellence surrounded us in our instructional programs. It is hoped that this pictorial history of Savannah State College will serve as a reminder of these changes and also bring back many other pleasant memories and experiences.

I trust that the relationships established here will serve as a guiding force as you enter the many fields of endeavor in the professional world.

May God bestow His many blessings on you always.

This Sorority would be their true eternal and universal sisters. This idea was discussed with Miss Arozonita Cleaver who later met with four other young women. They decided to organize a Sorority which they hoped would reach college women in all parts of the world who were Sorority minded and desired to affiliate with a group which has as its objectives the ideas of service, scholarship and sisterhood and for its ideal — finer womanhood.

CAMPUS SCENES

My! My! Aren't we Black and Beautiful?

There is nothing like a walk in the park.

Our new circular- shaped library, isn't it lovely?

Why don't they get started, we're tired!

Girl, you had better come on — we're late for class.

I'm tired of just sitting here.

Our smiles and poses are a reflection of the campus life.

I'm on my way to the library.

We're practicing to march with the majorettes.

I went to the Mall with the money from my C-W-S check and had a good time!

The QUES Assemble with Pledges

Swing those guns Albert and Billy

"I use ULTRA-BRIGHT"

This is a nice show to watch

We're waiting on our Frat brothers

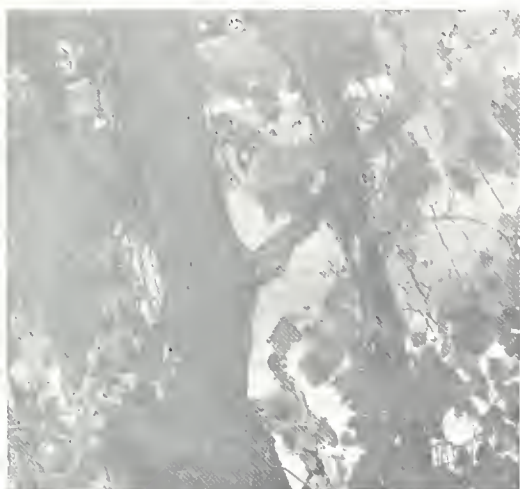

We are just sitting here to gossip

Where did he go?

We are smiling because we're on Candid Camera.

This is the beauty of the campus.

It's a sunny day on the lawn.

"Look at me, I'm in love".

"Tis ... tis ... tis ..., isn't that terrible?

EDITOR

As the 1977 school year ends at Savannah State College, the College by the Sea, we have tried to capture all that is to be kept in mind and put it into this yearbook. We, the staff of the 1977 TIGER, hope that we have succeeded in accomplishing all of the memories that you would like to keep stored in your minds.

My thanks goes to Mr. Gus Howard, Ms. Barbara McFall and the members of my staff who have worked diligently and stuck with this publication to the end. We have faced many trials, but expectantly survived them all. We have enjoyed working together and hope you can appreciate and cherish the finished product.

As you turn through the pages of your 1977 TIGER, sit back, relax and continue to support the TIGERS at S.S.C., the College by the Sea.

Sincerely,

Stephanie D. Ladson

CO-EDITOR

In years to come this edition as well as others should become a treasured memoir for all of you. In putting this book together we tried to capture all of the events and scenes that made our college lives a "unique TIGER experience."

I would like to take this time to thank the administration, faculty, staff and the students for your support.

I would like to offer a special thanks to Mr. Gus Howard and Ms. Barbara McFall for their devoted efforts in helping us.

Last, but definitely not least, to Stephanie and the other members of the staff, thank you. I love you and may God shed his richest blessings upon you all for laboring so hard and long.

Sincerely,

A handwritten signature in cursive script that reads "Spencer E. White, III". The signature is written in dark ink and is positioned to the right of the word "Sincerely,".
